Request for iCanConnect/NJ Services

I certify that all information provided on this application, including information about my disability and income, is true, complete, and accurate to the best of my knowledge. I authorize program representatives to verify the information provided.

I permit information about me to be shared with my state's current and successor program managers and representatives for the administration of the program and for the delivery of equipment and services to me. I also permit information about me to be reported to the Federal

Communications Commission for the administration, operation, and oversight of the program.

If I am accepted into the program, I agree to use program services solely for the purposes intended. I understand that I may not sell, give, or lend to another person any equipment provided to me by the program.

If I provide any false records or fail to comply with these or other requirements or conditions of the program, program officials may end services to me immediately. Also, if I violate these or other requirements or conditions of the program on purpose, program officials may take legal action against me.

I certify that I have read, understand, and accept these conditions to participate in iCanConnect (the National Deaf-Blind Equipment Distribution Program).

The Federal Communications Commission (FCC) collects personal information about individuals through the National Deaf-Blind Equipment Distribution Program (NDBEDP), a program also known as iCanConnect. The FCC will use this information to administer and manage the NDBEDP.

Personal information is provided voluntarily by individuals who request equipment (NDBEDP applicants) and individuals who attest to the disability of NDBEDP applicants. This information is needed to determine whether an applicant is eligible to participate in the NDBEDP. In addition, personal information is provided voluntarily by individuals who file NDBEDP-related complaints with the FCC on behalf of themselves or others. When this information is not provided, it may be impossible to resolve the complaints. Finally, each state's NDBEDP-certified equipment distribution program must submit to the FCC certain personal information that it obtained through its NDBEDP activities. This information is required to maintain each state's certification to participate in this program.

The FCC is authorized to collect the personal information that is requested through the NDBEDP under sections 1, 4, and 719 of the Communications Act of 1934, as amended; 47 U.S.C. 151, 154, and 620.

PAGE 11 CONTINUED

The FCC may disclose the information collected through the NDBEDP as permitted under the Privacy Act and as described in the FCC's Privacy Act System of Records
